Contracting Opportunity at Burnsville Lake

Burnsville, W.Va....The U.S. Army Corps of Engineers is actively seeking new vendors for work at Burnsville Lake. The Corps will award a contract for mowing and providing maintenance services at Burnsville Lake.

Bid packages for this contract can be accessed online at www.fedbizopps.gov/. Once you get into the website, click "Advanced Search" under "Find Opportunities". Once you enter that page, enter Burnsville's Zip Code, which is 26335, for the question "Search by Place of Performance Zip Code", and click search. Once you get to that page, you will find further instructions on how to download the contract specifications.

A pre-proposal conference is scheduled for Jan. 12, 2009, at 10:00 a.m. at the Burnsville Lake Office at 2550 S. Main St., Burnsville, W.Va. For directions, please contact Burnsville Lake at 304-853-2371. Bids are due January 30, 2009.

If you have additional questions once you have downloaded and studied the specifications, please contact Rick Pingley, Burnsville Lake, at 304-853-2371 or Jim Nutter, Contracting Office, at 304-399-5262.
